

Twiddla

Overview

Is an online collaborative white board that will allow you to collaborate with other classes in your school, county, state or somewhere else in the world. You can write over a document, website, or just have a blank canvas to brainstorm on.

You can be accessed through your WebTop or at www.twiddla.com (email to have your account changed Pro for Education.)

Content Area/Grade Level

Elementary, Middle, or High/ All Subjects
