

iPages

Overview

iPages is Apple's word process app. iPages is a very versatile including blank documents and templates for cards, newsletter, letters and more. Just a few things students can make:

- Greeting Cards
- Pamphlets
- Flyers
- Infographics

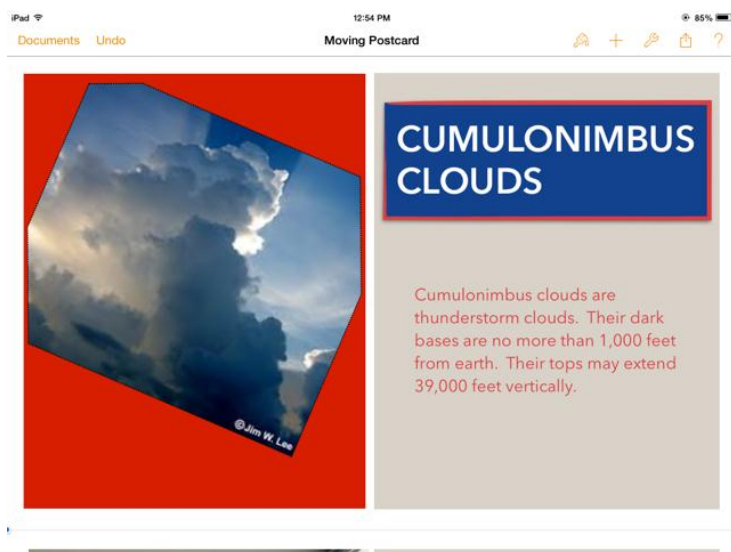

Content Area/Grade Level

Elementary, Middle and High School all subjects

Lesson Ideas

- Create greeting cards to give to elderly patients at a nursing home
- Create a flyer celebrating a holiday like Veteran's Day
- Informational pamphlets on any topic a student would research
- Infographic (example below)
- A post card from the past or an historical event
- Share short summaries of information

Example

Your TIS is available for Training, Collaboration and/or Co-Teaching
