Following the Proper Channels

- ❖ Always speak first with the person directly involved - the teacher, bus driver, etc. You may find that there has been a simple misunderstanding.
- ❖ Next, speak with the school principal.
- ❖ If your question or problem is not resolved by meeting with the principal, you should then speak with the administrative person in charge of the area of your concern.
- ❖ If, after following steps 1, 2, and 3, you do not feel the matter is resolved, you should make an appointment to speak with the superintendent of schools, (304-636-9150, Ext. 107).
- ❖ Finally, if all else has failed to resolve the problem, you may call a school board member:
