A referral has been initiated for the above named student under Section 504 of the Rehabilitation Act of 1973. In order for a student to qualify for special accommodations under Section 504, s/he must have a physical or mental impairment that substantially limits a major life activity (e.g., caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working, etc.). Please complete this form and attach any reports pertinent to the medical or educational needs of this child. We are NOT requesting evaluation, testing, or services be performed, but reports of diagnostic work performed in the past.

2. What major life activity may be substantially limited as a result of the impairment?
