Join Us in Supporting School Safety!

A Dedicated Fund for Weapons Detection Systems and Camera System updates

In response to interest from our community, the Randolph County Board of Education has established a special sub-account to accept donations from businesses and individuals. Your contributions will directly fund **weapons detection systems and camera system** updates across our county schools, providing an added layer of safety and security.

Why Your Support Matters

School safety is a top priority, and your generosity will help us:

- Meet our safety needs much sooner.
- Create secure environments for learning and growth.

Transparency in Fund Usage

Detailed records of all donations will be maintained by the **Randolph County Schools Finance Department** and can be inspected upon request.

It is the intent of the Randolph County Board of Education to address our High and Middle School locations, followed by our K-12 buildings and finally our Elementary schools.

Tax Deductibility

As the Randolph County Board of Education is considered a political subdivision of the State of West Virginia, donors should consult their tax advisor to confirm the deductibility of their contributions.

Together, We Can Make Our Schools Safer!

Thank you for your generosity and commitment to our students' future.
